SUNBRELLA

Bahia

Strong and authentic,  
the Sunbrella® collections  
take you to new fabric horizons.

Bahia celebrates a journey  
to exotic destinations.  
It's a surprising match of  
sophistication and intensity.

# SUNBRELLA®

A BRAND THAT CARES  
ABOUT THE ENVIRONMENT

From production to use, Sunbrella® fabrics combine quality with durability to reduce their impact on the environment.

## PRODUCT LIFECYCLE MANAGEMENT

As part of its Renaissance program, Sunbrella® created the Heritage Renaissance line containing up to 50% recycled solution-dyed acrylic fibres.

Recycled fibres are sourced directly from production plants where waste is divided into colour groups and turned back into fibres. These fibres are then blended with the "virgin" Sunbrella® fibres.

## LESS WASTE

Our quality Sunbrella® fabrics do not rot or fade and are highly resistant over time. As our fabrics do not need to be replaced as often as traditional fabrics, they generate less waste.

## LOW WATER CONSUMPTION

In the solution-dyeing process, colour pigments are added to the yarn as it is spun, to guarantee colourfastness and save water. The small amount of water used in our weaving process is fully recycled in-house.

## ENVIRONMENTAL CERTIFICATIONS

### REACH REGULATION

Sunbrella® has developed treatments designed and applied in strict compliance with European REACH regulations.

REACH is a European regulation designed to improve the protection of human health and the environment from the risks posed by chemicals, while enhancing the competitiveness of the EU chemicals industry.

### GREENGUARD CERTIFIED

Sunbrella® upholstery fabric has achieved GREENGUARD GOLD Certification. Sunbrella® upholstery fabrics are certified by GREENGUARD as contributing to healthy indoor air by being a very low emitting interior product.

### OEKO-TEX LABEL

A quality that meets human-ecological requirements. Awarded with the OEKO-TEX label (class II - products with direct contact to the skin), Sunbrella® fabrics are produced without hazardous substances and do not pose a threat to health, the skin or the environment.

### QSEE CERTIFICATIONS

(Quality-Safety-Environment-Energy)  
ISO 9001, ISO 14001, ISO 45001 and ISO 50001

As part of our continuous improvement approach, and to better meet the needs of customers, our products are certified to international standards by Bureau Veritas Certification. These standards guarantee the consistent quality of our products, protect the ecosystem, improve energy performance and enhance the efficiency of our QSEE system.

### ZERO LANDFILL

For over 30 years, Sunbrella® has recycled its industrial wastes such as yarn and packaging. Today, every Sunbrella® manufacturing facility around the globe sends absolutely no waste to the landfill.

### 5 YEAR WARRANTY

Sunbrella® acrylic guarantees outstanding colourfastness.
